## HOW IT WORKS

---

Participants purchase transportation vouchers from CobbLinc at a discounted price.

Pay \$10 for each \$100 voucher book. Receive up to \$2,400 in vouchers annually.

A participant undergoing intensive health treatment may receive up to \$3,600 in vouchers.

Participants receive a list of approved transportation vendors that accept Cobb County transportation vouchers.

To make a reservation, participants must call a transportation vendor. Riders pay the vendor in vouchers in accordance with its rates and guidelines. The cost is dependent upon trip distance.
