Reserving a Picnic Pavilion

Picnic Pavilions are available on a first-come, first-serve basis unless they have been reserved. There is no charge to use a pavilion in a Cobb County park. If you wish to reserve a Picnic Pavilion, a **$10.00 ($15.00 for non-residents)** reservation fee is charged to insure the pavilion is available to you at a specific time for your exclusive use.

All reservation requests are reviewed by Cobb Parks staff within three business days.

Payment of the pavilion reservation fee is not applied at checkout. Once your reservation is approved, the reservation fee along with any additional documentation is required to be paid and/or provided within 7 business days.
